ALUMINIUM X-LITE compressors are specifically designed for nailing applications and recommended for the professional builder / carpenter. They are compact and lightweight using aircraft aluminium alloy tanks and the most innovative 4 Pole Induction Motors making them super quiet to operate and the oil free pump is virtually maintenance free. The compact design means they can fit in the back of most utes with hard covers and are backed with a 3 YEAR WARRANTY. The X-LITE compressors have a maximum working pressure of 135psi (9.3 Bar), and use "Nitto Style" one-touch connectors. The 1HP model will run 1 Framing or 2 x finishing nailers and the 2HP model will run 2 Framing or 3 x finishing nailers.

Specifications:-

Pump Type: Oil Free Direct Drive

Motor: 2 HP 4 Pole Induction

Tank Capacity: 16L

Power Source: 240V (10 AMP)

Max Pressure: 135 PSI (9.3 Bar)

Free Air Delivery: 125 L/min

Noise: 67dB

Compressor Dimensions: 45cm L x 45cm W x 43cm H

Net Weight: 26 kg
