200MM F XTREME WELDING CLAMP 95MM DEPTH BY 321200095 BY EXCISION

\$85.95 inc. GST

The World's best welding clamp! This extremely heavy duty clamp is a tool your Grandchildren will inherit. The unique design gives you over 70% more clamping force than heavy duty conventional F-clamps. **Features:-**
The Unique internal ball bearing removes friction allowing greater precision and more clamping force
Completely sealed thread means no welding slag damage
Totally sealed means permanently lubricated
Dependable braking system (hardened steel) for total confidence
Trapezoidal thread means more force for clamping and more ease for release
Suited to all environments and applications including welding, working with fluids, humid or salty atmosphere
Patented
Lifetime Guarantee
Made in Spain

Model	
Type	Welding Clamp
SKU	8728214
Part Number	321200095
Barcode	9341363181144
Brand	Excision
Size	200mm 8"
Technical - Main	
Clamping Force	800Kg
Country of Origin	
Manufactured in	Spain
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
