200MM F XTREME WELDING CLAMP 95MM DEPTH BY 321200095 BY EXCISION

\$85.95 inc. GST

The World's best welding clamp! This extremely heavy duty clamp is a tool your Grandchildren will inherit. The unique design gives you over 70% more clamping force than heavy duty conventional F-clamps. **Features:-**

The Unique internal ball bearing removes friction allowing greater precision and more clamping force

Completely sealed thread means no welding slag damage

Totally sealed means permanently lubricated

Dependable braking system (hardened steel) for total confidence

Trapezoidal thread means more force for clamping and more ease for release

Suited to all environments and applications including welding, working with fluids, humid or salty atmosphere

Patented

Lifetime Guarantee

Made in Spain
