The M18 FUEL™ SAWZALL™ Reciprocating Saw is the next generation of legendary performance and durability, designed for the toughest applications on the job site. The M18 FUEL™ SAWZALL™ delivers fast cuts, as it leverages a POWERSTATE™ Brushless Motor to provide users with 3,000 SPM and 32 mm (1-1/4") stroke length for fast material removal. REDLINK™ PLUS Intelligence ensures maximum performance under stress, as well as protection from overloading, overheating, and over-discharging. The M18™ REDLITHIUM™-ION 5.0Ah Battery Pack (not included) delivers users runtime and provides more work per charge and more work over the life of the battery pack. The M18 FUEL™ SAWZALL™ Reciprocating Saw is designed to perform in demanding applications and is Milwaukee's most durable cordless reciprocating saw yet. A tool-free, wear-resistant blade change reduces downtime on the job, and an anti-corrosion blade clamp and metal reinforced battery rails provide long component life, standing up to tough jobsite conditions. The M18 FUEL™ SAWZALL™ Reciprocating Saw weighs less than the previous generation and features an adjustable shoe, integrated LED light, and a hanging hook for convenient storage on the job. **Features:** POWERSTATE™ Brushless Motor provides fast cutting speed and power through tough applications
Anti-corrosion blade clamp delivers durability with less downtime due to corrosion
