

18V FUEL ONE-KEY SAWZALL RECIPROCATING SAW BARE (TOOL ONLY) M18ONESX2-0 BY MILWAUKEE

SKU	Option	Part #	Price
8728301		M18ONESX2-0	\$499

Model	
Type	Recipro Saw
SKU	8728301
Part Number	M18ONESX2-0
Barcode	4892210194923
Brand	Milwaukee
Dimensions	
Product Weight (Net Weight)	3.1 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M18 FUEL™ ONE-KEY™ SAWZALL™ Reciprocating Saw is the next generation of legendary performance and durability, designed for the toughest applications on the job site. The M18 FUEL™ ONE-KEY™ SAWZALL™ delivers fast cuts, as it leverages a POWERSTATE™ Brushless Motor to provide users with 3,000 SPM and 32 mm (1-1/4") stroke length for fast material removal. REDLINK™ PLUS Intelligence ensures maximum performance under stress, as well as protection from overloading, overheating, and over-discharging. The M18™ REDLITHIUM™-ION 5.0Ah Battery Pack (not included) delivers users runtime and provides more work per charge and more work over the life of the battery pack. The M18 FUEL™ ONE-KEY™ SAWZALL™ Reciprocating Saw is designed to perform in demanding applications and is Milwaukee's most durable cordless reciprocating saw yet. A tool-free, wear-resistant blade change reduces downtime on the job, and an anti-corrosion blade clamp and metal reinforced battery rails provide long component life, standing up to tough jobsite conditions. The M18 FUEL™ ONE-KEY™ SAWZALL™ Reciprocating Saw weighs less than the previous generation and features an adjustable shoe, integrated LED light, and a hanging hook for convenient storage on the job. Compatible with ONE-KEY™, users can wirelessly connect the reciprocating saw to a smartphone to customise, track, and manage the tool's performance and location. Tool customisation allows users to control settings such as output

speed and trigger ramp up for smooth cut starts. A selectable Cut Brake feature automatically stops the blade from reciprocating at the end of a cut, reducing the risk of damaging sensitive materials near the cut in most applications. The tool's memory supports up to 3 custom profiles that can be easily accessed with the touch of a button on the tool. Integrated tool tracking, also available through ONE-KEY™, provides users full visibility to how and where tools are being used across their network of jobs and users. **Features:**

POWERSTATE™ Brushless Motor provides fast cutting speed and power through tough applications

Anti-corrosion blade clamp delivers durability with less downtime due to corrosion

Metal reinforced battery connection provides improved durability and battery retention over life of the tool

Built-in LED light illuminates work surface while cutting

Lever action QUIK-LOK™ blade clamp provides fast, easy blade changes

ONE-KEY™ compatible to track, manage tool location and customise tool performance

Customisable cut speed and trigger ramp up via ONE-KEY™

Selectable Cut Brake monitors tool load throughout the cut and automatically stops the blade as it exits the material

REDLINK™ PLUS Intelligence provides optimised performance and overload protection

Adjustable shoe

Hang hook

Specifications:

SPM: 0 - 3,000

LED Light: Yes

Blade Clamp: QUIK-LOK™ Universal

Keyless Adjustable Shoe: Yes

Stroke Length: 32 mm (1-1/4")

Hang Hook: Yes

Keyless Blade Clamp: Yes

One-Key Enabled: Yes

Includes:

(1) M18 FUEL™ ONE-KEY™ SAWZALL™ Reciprocating Saw (M18ONESX2-0)

(1) 200 mm (8") 8/12 TPI Multi-Material Blade (48005093)

(Not Included) Battery & Charger
