Shipping Weight (Gross)	1.48 kg

Dewalt DCD999N-XE is the next generation premium high power hammer drill driver. Up to 42% more power when paired with an XR FLEXVOLT battery pack (battery sold separately). **Features:**

Improved 3-Speed Transmission - More durability, designed to handle increased power levels

Electronic Module - Help to recognize batteries, increased power and productivity

13mm (1/2") Metal Chuck - Heavy-duty nitro-carburized metal chuck with carbide inserts, reduced dropped bits and increased durability

Improved side-handle - More control and safety in high demand applications, handle has been extended to manage increased torque levels. Connection collar on handle constructed out of metal for durability and performance

3-Mode LED work light - Illuminate workpiece, 3 lighting / timing modes including 20 minute "torch" mode

New Magnetic bit holder - Holds bit securely, improved magnet strength and rib design reduces risk of drop bits during vibration

BLEM Pocket - Retrofittable Bluetooth module for tool tracking, enhanced user feature reduces tool theft

**Specification:**

Voltage: 18V

No load speed:

Speed 1: 0-450rpm
