

18V FUEL 26MM SDS PLUS ROTARY HAMMER KIT M18FH-602C BY MILWAUKEE

SKU	Option	Part #	Price
8728364		M18FH-602C	\$950

Model	
Type	Rotary Hammer
SKU	8728364
Part Number	M18FH-602C
Barcode	4658546361718
Brand	Milwaukee
Technical - Main	
Battery Voltage (V)	18V
Dimensions	
Product Weight (Net Weight)	3.1 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M18 FUEL™ 26 mm SDS Plus Rotary Hammer delivers fast drilling, hard-hitting performance and maximum control for productivity on the jobsite. Designed to achieve top performance with only moderate pressure, the rotary hammer is compatible with all M18™ REDLITHIUM™-ION batteries and is optimised for use with M18™ REDLITHIUM™-ION HIGH OUTPUT™ 6.0Ah batteries. The POWERSTATE™ Brushless Motor delivers users 2.7 J of impact energy, 1,330 RPM, and 4,800 BPM, providing speed and power in the most demanding applications. REDLINK™ PLUS Intelligence tool technology ensures maximum rotary drill performance and protects the tool from overload, overheating, and over-discharge. The MILWAUKEE™ M18 FUEL™ 26 mm SDS Plus Rotary Hammer includes AUTOSTOP™ Kickback Control for maximum control and enhanced safety, with the tool sensing a bind-up situation when users are drilling in rebar or hard aggregate and stopping over-rotation, without the need for the user to release the trigger, indicated by the AUTOSTOP™ Indicator LED. The Anti-Vibration System (AVS) minimises vibration for maximum comfort when in use for extended periods. A Dedicated Dust Extractor (M18FDEX) is also available (sold separately), which once connected is powered by the Rotary Hammer. Also includes: (1) Side Handle with Depth Gauge, (1) Carrying Case

Includes:

M18 FUEL™ 26 mm SDS Plus Rotary Hammer (Tool Only)

23 Exhibition Drive, Malaga Western Australia

Monday - Friday 7am-5pm + Sat 8am-4pm

(2) M18™ REDLITHIUM™-ION HIGH OUTPUT™ 6.0Ah Battery
Pack

M12™ & M18™ Rapid Charger

Features:

3 mode (Rotary Hammer, Hammer Only, and Rotary Only)

POWERSTATE™ Brushless Motor delivers fast drilling

2.7 J impact energy for hard hitting performance

Anti-Vibration System (AVS) for maximum user comfort

AUTOSTOP™ Kickback Control senses bind-up and prevents
over-rotation

REDLINK™ PLUS Intelligence integrates full-circle
communication between tool, battery and charger to protect
from overloads, over-heating and over-discharge

Integrated LED light for illuminating dark workspaces

Compatible with M18 FUEL™ HAMMERVAC™ 26 mm

Dedicated Dust Extractor (M18FDEX)

Adjustable depth gauge rod for accurate hole depths

Specifications:

Max RPM: 1,330

BPM: 4,800

Impact Energy: 2.7 J

Vibration Reduction: Yes

Drill Capacity: 26 mm (1")

Kickback Prevention: Yes
