The M18 FUEL™ 125 mm (5") Angle Grinder with Deadman Paddle Switch is the next advancement in power and performance, fast cutting and a lighter and more compact design when compared to the current model. The POWERSTATE™ Brushless Motor delivers maximum sustained power and 8,500 RPM to remove material faster and increase productivity. REDLINK™ PLUS Intelligence ensures unmatched levels of performance, protection, and compatibility. The M18 FUEL™ 125 mm (5") Angle Grinder with Deadman Paddle Switch includes an electronic clutch for kickback protection, as well as overload protection to maximise motor life. With tool-free accessory and guard adjustments, users will experience fast accessory changes, and less downtime, while remaining fully compatible with the most common accessories in the market. The MILWAUKEE® M18 FUEL™ 125 mm (5") Angle Grinder with Deadman Paddle Switch takes cordless grinders to the next level. **Features:** Next generation M18CAG125XPD with electronic and ergonomic upgrade
More compact, lightweight and balanced design allow for more comfortable and maneuverable use
POWERSTATE™ Brushless Motor provides 8,500 RPM
REDLINK™ PLUS Electronic Intelligence enables advanced communication between your batteries and tools, allowing for unmatched levels of performance, protection, and productivity
