AOS Rear Seat organisers make perfect use of your behind the seat storage which could normally be dead space with 12 pockets to play with. They create enough space to store your maps and your tyre gauge nice and snug, with webbing straps on top and around the base to suit almost any car seat. Great for long car rides with the kids, give them a bunch of toys and get them occupied. Our AOS 4wd range offers a solution almost anywhere in your car from your dash to your rear spare wheel, to keep your belongings from flying all over the place when your taking that corner too fast or won't slow down over the bumps, yes we have all been there!

Our AOS 4A—4 storage solutions can solve that problem and guess what they are Australian Made! **This Product is Designed & Manufactured in Perth Western Australia!**

**Features:** Designed and made in AUSTRALIA. Made from 14oz heavy duty Waterproof Poly / Cotton 9 pleated pockets in different sizes to cover most storage requirements 3 flat pockets for maps, magazines and tablets. Stiffener rod on each side to maintain shape. 25mm webbing with quick release buckles with attach point for head rest and base of seat to secure quickly. **Dimensions:** Width: 320mm top & 450mm bottom Height: 550mm **This Product is Designed & Manufactured in Perth Western Australia and comes with a 1 Year Manufacture and Workmanship Warranty.**
