Our PACKOUT™ Racking Kit includes two PACKOUT™ racking shelves and two 20" lengths of E-Track that allow you to attach and mount your racking system to a wide variety of surfaces: including your vans, trucks, trailers, garages, and shops. Featuring a metal reinforced frame and impact-resistant body, these tool storage racks have a 50 lbs weight capacity per shelf and allow you to customise and build a PACKOUT™ System that fits your needs. This Racking Kit is part of the MILWAUKEE® PACKOUT™ Modular Storage System, the industry's most durable and versatile storage system. **Features:**

E-track is a standard anchoring system commonly used by many suppliers and brands to develop accessories and modular systems for material tie down and storage. â€

E-Track Mounting Rails can be mounted on vehicles or walls for ultimate versatilityâ€

Will be able to mount horizontal and vertical â€

Each shelf holds up to 22.5 kgs â€

Includes:
