Our PACKOUT Customisable Work Top is constructed with impact-resistant polymers and ½" marine grade wood top that provides you with a durable, portable work surface for assembly and writing tasks. As part of our PACKOUT Modular Storage, the worktop allows you to customise your storage system for easy transportation and organisation of tools and accessories. The customisable worktop has a 22.5kg weight capacity and a fastener-ready design, which allows you to attach vises, chargers, and a variety of other items to the top of your PACKOUT stack for easy and secure transport. The MILWAUKEE® PACKOUT Modular Storage System is the industry's most durable and versatile storage system.

Features:

- 22.5 kgs Weight Capacity
- Marine Grade Plywood
- Clear coat finish provides smooth work surface
- Impact resistant polymer construction to ensure durability
- Connects to all Milwaukee PACKOUT Modular storage

Includes:

- (1) PACKOUT Customisable Work Top [48228488]
