

125MM (5") 18V RANDOM ORBITAL SANDER BARE (TOOL ONLY) GEX18V-125 (0601372141) BY BOSCH

The GEX 18V-125 Professional random orbit sander provides users with optimal tool control, specifically, when working on larger surfaces. The random orbit sander 's outstanding balance close to the workpiece as well as the supreme ergonomics of its palm rest and grip offer optimal tool control. Fast work progress and a longer tool lifetime are ensured by its brushless motor and Bosch's Professional 18V system. The GEX 18V-125 Professional can be easily and intuitively operated.

Features:-

Outstanding balance close to the workpiece and supreme ergonomics of palm rest and grip offer optimal tool control
Brushless motor and Bosch's Professional 18V system ensure fast work progress and high endurance

Easy and intuitive operation

Equipment & Application:-

This cordless random orbit sander is intended for basic sanding, in-between sanding, lacquer removal, and finishing surfaces. It is applicable on wood, veneer, lacquer, and filler, as well as mineral and acrylic. It is compatible with the Professional 18V system as well as Bosch's Click & Clean dust extraction system.

Additional Information:-

The GEX 18V-125 Professional also features a dust bag, speed selection, and a 125-mm sanding pad fitted with a hook-and-loop system for fastening sanding sheets.
