Our 7-in-1 High-Leverage Combination Pliers feature seven core functions for use in a variety of applications. With longer handles providing extra leverage, cutting cable is as easy as ever, while the wide jaws provide maximum control when grabbing and twisting cable. With an on-board, crimper, stripper and loop maker allowing quick wire preparation, the built-in reamer allows you to ream ½" through 1" conduit, and the bolt cutter cuts #6 and #8 bolts. A swing-lock design also delivers fast, one-handed operation. The MILWAUKEE ® 7-in-1 high-leverage combination pliers provide maximum productivity and are perfect for the toughest jobsites.

Features:

- High leverage handles for easy cable cutting
- Wide jaw for easy cable twisting
