The M12™ Radio + Charger with DAB+ delivers premium sound from a compact size, allowing users to turn it up on and off the jobsite. The Radio + Charger features assorted listening options, from FM radio, DAB+, and Bluetooth streaming. With a sleek design, with users having multiple hanging options, such as a self-centering keyhole and hollow handle for pass-through hanging. These features provide enhanced portability for the freedom to hang the Radio + Charger up, wherever you go. Paired with an M12™ REDLITHIUM™-ION 2.0Ah Battery for 10 hours of runtime or use the included AC adaptor to keep M12™ REDLITHIUM™-ION Batteries charged up throughout the day. NOTE: This product is enabled with DAB+ which is not supported in New Zealand and parts of Australia. **Features:**

- FM radio, Bluetooth, and DAB+ digital radio
- 2.1A USB output
- Charges M12™ REDLITHIUM™-ION batteries and small electronic devices
- Self-centering keyhole and hollow pass-through handle
- Full-range speaker and tweeter deliver clear mids and highs
- Small foot print and concealed features
- Up to 10 hours runtime with M12™ REDLITHIUM™-ION 2.0Ah Battery
- EQ customisation for treble and bass adjustment
- Customisable radio station presets
- Impact resistant
