Heavy Duty **TradeQuip "Made for the Trade"** steel construction makes this lockable five drawer with top shelf workshop tool trolley durable enough for moving tools and car parts. Ideal for transporting tools where you need them. Durable steel construction for rugged use. Locking top compartment for security; stores valuable tools for safekeeping with cylinder lock and key. Includes 4 drawers with full-extension ball bearing slides. Features full-length aluminium drawer pulls for easy retrieval. Bottom tray for storage includes lip edges to prevent cargo from falling. Push handle for easy transport. Includes 2 rigid and 2 swivel casters for easy mobility. Easily handles loads up to 260kg. Smooth rolling composite rubber castors let you manoeuvre the workshop trolley without marring the floor. Deep drawers and shelves give you plenty of storage for your tools and parts. This is the perfect heavy duty workshop trolley for garages, warehouses and workshops.

### Features:-

Heavy gauge steel construction with lockable sliding top on smooth ball bearing runners.  
 Quality ball bearing slide drawers, which is locked when top is closed.  
 Side handle for comfort and control when manoeuvring.  
 Tough high gloss enamel finish
