

## 18V FUEL 18 GAUGE BRAD FINISHING NAILER BARE (TOOL ONLY) M18FN18GS-0C BY MILWAUKEE

SKU	Option	Part #	Price
8728867		M18FN18GS-0C	\$739

Model	
Type	Nailer
SKU	8728867
Part Number	M18FN18GS-0C
Barcode	4892210199645
Brand	Milwaukee
Technical - Main	
Battery Voltage (V)	18V
Magazine Capacity	110
Nail Diameter	18 GA / 1.2 mm (1/16" )
Nail Length	16" - 54 mm (5/8" - 2-1/8" )
Dimensions	
Product Weight (Net Weight)	2.4 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M18 FUEL™ 18 Gauge Brad Finishing Nailer delivers peak productivity on the jobsite, providing users with the power to nail, without the hassle of a compressor and hose. Leveraging Milwaukee's nitrogen air spring mechanism, the M18 FUEL™ 18 Gauge Brad Finishing Nailer allows users to consistently sink nails to the proper depth in hard and soft woods while leaving clean nail holes matching the head of the nail. The combination of the POWERSTATE™ Brushless Motor and REDLINK™ PLUS Intelligence delivers users the ability for fast nailing, with a fire rate of 3 nails per second (in contact actuation mode) with zero ramp-up time, for maximum efficiency throughout the day. Additionally, the nailer operates using our REDLITHIUM™-ION batteries (not included) and sealed compressed nitrogen to drive each nail, eliminating the cost of gas cartridges and maintenance associated with other nailers. The M18 FUEL™ 18 Gauge Brad Finishing Nailer is compact in size, and lightweight, providing the user with unmatched access into tight spaces and limiting fatigue with low recoil. The M18 FUEL™ 18 Gauge Brad Finishing Nailer delivers the pneumatic performance that professional carpenters and remodelers expect, with the freedom and convenience of cordless technology. **Features:**

- Consistent, clean nail holes driven subflush in both hardwoods and softwoods
- Tool free drive depth adjustment

**23 Exhibition Drive, Malaga Western Australia**
