The Laser Target provides fast and visible alignment feedback when setting lasers with a point on the floor or checking an offset. The X design provides responsive centering feedback that guides your line to the center, making the alignment process faster, while the high visibility illumination makes it easy to see. The Laser Target also features a wide magnetic base that is perfect for floor use or magnetically attaching to ferrous surfaces. The Laser Target is compatible with all MILWAUKEE ® lasers. **Features:-**

High visibility illumination

Wide magnetic base suitable for floors and ferrous surfaces

High contrast reflective surface for use with MILWAUKEE ® lasers

Responsive centering alignment

Hang hole

1/4" & 1cm increments
