Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The Laser Track Clip with Quick Connect is the ideal solution for professionals to quickly connect Milwaukee USB and M12™ Lasers with a secure hold to wall angles when installing drop ceiling. The rubber teeth and strong spring will hold the laser steady once attached to angle. The laser's magnets provide a secure hold to the metal mounting plate, and the centering groove ensures it is vertically aligned. The Laser Track Clip with Quick Connect also features hang holes and zip tie loops for users to attach lasers to wood, drywall, pipe, and other material. **Features:**

Easy laser alignment, centering groove

Low profile design

Strong, secure grip

Integrated screw and nail hang holes

Rubber teeth

Zip tie loops

SAE and metric quick reference marks

Compatible with Milwaukee® lasers
