The Milwaukee ® Glass and Tile Drill Bits features an exact start tip for clean holes and minimal walking of the bit in glass and ceramic tile. Our Glass and Tile bits have also been designed with sharpened carbide that allows for faster tile drilling than standard glass and tile drill bits, along with a reinforced carbide head to provide increased durability in high speed drilling applications with drill drivers only. Available sizes range from 4mm up to 16mm.

Features:

- Reinforced carbide head for increased durability
- Exact start tip for minimal bit walking
- Sharpened carbide for faster tile drilling
- Precision-ground carbide for clean holes
- Ideal for use in Glass, Tile and Ceramic Tile
- Available from 4mm to 16mm sizes
