Shipping Weight (Gross)	1.48 kg

The M12 FUEL™ HATCHET™ 6" (152 mm) Pruning Saw delivers maximum control & access, has the power to cut 3" (76 mm) hardwoods, and delivers up to 120 cuts per charge. The HATCHET™ Pruning Saw is designed to meet the ergonomic, performance, and durability needs of landscape maintenance professionals. Weighing less than 2 kgs and featuring a compact design, the HATCHET™ Pruning Saw gives users increased control and greater manoeuvrability in tight access areas. The POWERSTATE™ Brushless Motor delivers the power to complete cuts in demanding hardwood materials. REDLINK™ PLUS Intelligence enables full-circle communication between the tool and battery, providing the user with unmatched levels of performance, protection, and productivity. The advanced electronic package also provides an instant throttle response and a variable speed trigger for ultimate control over the power range. The HATCHET™ Pruning Saw features a full house chain, easy access chain tensioner, automatic oiler, all-metal bucking spikes, and onboard storage for the scrench. The M12 FUEL™ HATCHET™ 6" (152 mm) Pruning Saw is part of the M12™ system, which is fully compatible with 90+ solutions. In addition to the HATCHET™ Pruning Saw, this product includes (1) 6" (152 mm) Bar, (1) 6" (152 mm) Chain (each available as individual accessories), (1) Scabbard, (1) Scrench and Chain Oil.

Features:

POWERSTATE™ Brushless Motor delivers power to complete cuts in demanding materials
