Barcode	9324554001025
Brand	Gilly's
Dimensions	
Product Weight (Net Weight)	95 g
Packaging + Shipping	
Shipping Weight (Gross)	0.148 kg

These **Beeswax Blocks** are **100% natural** and **food-safe** to suit a wide variety of needs and have absolutely **NO** petro-chemicals added.

Many other 'beeswax' products on the market are blended with other waxes. Ours is 100% beeswax.

Beeswax is a very hard wax, and provides a sensational honey aroma. The colour is generally rich and golden, however as a natural product, colour variations do occur.

Double boilers are the safest method for melting beeswax. It can burn easy if care is not taken, which may affect colour and aroma.

**Please note: This is not a ready to apply furniture wax as it is in its pure form.**

### Specifics:

Melt Point: 62-64

### Used For:

Soap making, candles, crafts, beeswax wraps, cosmetics, furniture care
