Brand	Gilly's
Packaging + Shipping	
Shipping Weight (Gross)	100.0 g

**Filtered Prime Golden Carnauba Wax Flakes** sourced from the *Copernica Cerifera* tree in Brazil.

Carnauba wax is a hard wax that can produce a beautiful gloss-like finish. Hence, it is used in the manufacture of **furniture polishes, car waxes, food, candy/sweets, pharmaceuticals** and more. It is the hardest natural timber finish you can provide. You can mix it with your own oils, solvents and waxes to make your own finishes. Popular among woodworkers. Known as 'The Queen of Waxes', Carnauba Wax is a must have addition for your DIY experiments. It comes in flake form which makes working with it easier.

Ensure never to melt over open flame.
