Compared to even the best pinned impacts, X-Core™ Pinless impact tools deliver far greater durability and superior access. The exclusive four-lug ball-and-socket design of these GEARWRENCH universal-joints, sockets, and extensions provides the long-lasting strength and capability needed to take on the toughest automotive and industrial applications. When durability is key, the choice is clear. GEARWRENCH X-Core™ pinless.

Features:

- X-Core™ pinless joint design is 4x more durable than pinned products for increased strength
- Ball detent for secure socket retention
- 30° maximum operating flex angle
- Smooth 360° rotation for easier access
- Chrome molybdenum alloy steel (Cr-Mo) for exceptional strength and durability
- Black oxide finish for corrosion resistance
- High-visibility laser etched markings provide quick size identification
- Meets or exceeds ASME specifications
- Includes tray for storage and organization

Specifications:

- Prop 65 : No Warning
- ASME Specification : B107.110-2012
- Family Name : X-Core™
