The Stanley 200Z Fiberglass curved claw hammer offers an innovative solution for all your Hammering needs, constructed with a Fiberglass core for added strength and durability. The 200Z weight of the hammer makes it easier for driving larger nails. Designed with a bi-material handle for increased comfort and Anti slip grip. The hammer includes a new and improved overstrike protection feature which protects the shaft of the hammer against impacts for a greater life. The curved claw is ideal for prying and removing nails from wood.

Features:

- Fiberglass core for strength and durability
- Improved overstrike protection for longer life
- Enhanced bi material grip
- Peel resistant for longer life
