Our PACKOUT™ Modular Storage System is the industry's most versatile and durable storage system. The PACKOUT™ 3-Drawer Tool Box provides easy access to your tools no matter where the tool box is located in the stack. It has a 22.5kg weight capacity and a locking security bar allows you to padlock the drawers closed keeping them securely shut during transport. The tool box is constructed with impact-resistant polymers, all-metal ball bearing slides, and metal reinforced corners for ultimate jobsite durability. The 3-Drawer Tool Box also allows you to customise your drawer layout with Quick-Adjust Dividers. The PACKOUT™ Modular Storage System allows you to customise your storage system for easy transportation and organisation of tools and accessories.

Features

- Impact resistant polymer construction
- Front opening drawers for easy access no matter where situated on stack
- Smooth-roll metal ball-bearing slides
- Locking security bar on front keeps drawers secure if the unit is tipped over
- Includes one set of quick-adjust drawer dividers
- 11kg Individual Drawer Weight Capacity, 22.5kg Total Weight Capacity
