The Kincrome gas range is filled with a variety of professional quality, innovative products that are designed to make your job easier and faster. Remove the need for batteries that take time to charge or restrictive cables with this class leading, game changing range of Butane and Propane products. The Kincrome micro blow torch provides a portable and convenient solution to all of your small, precise blow torch needs. The micro blow torch is ultra compact so it fits perfectly in your camping kit, kitchen drawer, or toolbox, always ready to go. The continuous lock matching with the free standing design allows for precise, two handed uses ensuring perfect accuracy and precision.

The indexing head blow torch is ideal for applications such as:

- Heat shrink
- Soldering
- Jewellery
- Hobby work
- Lighting camp or grill fires
- Multiple other uses in and around the office, workshop and job site

Features:

- Continuous lock function
- Adjustable flame
- Compact
- Free standing design
