Professional storage needs aren't limited to the jobsite alone - the van is a warehouse on wheels and the garage is the user's home base. Vertical E-Track Rails when used with our PACKOUT™ Racking Shelves are the perfect solution to organise the van and home garage to ensure maximum storage and organisational efficiency. Our Vertical E-Track Rails feature a powder-coated finish to resist rust and corrosion, while its heavy-duty steel construction is ideal for you to mount in vans, trucks, trailers, and garages, workshops and is compatible with all E-track accessories. Each E-Track has five slots allowing you to customise shelf height to suit your needs. The MILWAUKEE® PACKOUT™ Modular Storage System is the industry's most durable and versatile storage system. **Features:**

Designed for use with PACKOUT™ Racking Shelves (48228481)

Designed for use in workshop, in the van, or on site
