Shipping Weight (Gross)	1.48 kg

The high-performance 150mm random orbit sander for professional finishes.

Features:

Housing with a decoupled sanding unit for consistent contact pressure, enabling high-quality surface results
Unique vibration damping produces very low vibrations for continuous work

Multi-hole sanding pad for sanding sheets with different hole pattern and for significantly increased dust extraction

The GEX 40-150 Professional is Bosch's corded random orbit sander designed for high performance with professional finishes in the 150-mm category. It features a housing with a decoupled sanding unit for consistent contact pressure, providing the highest- quality surface results. Its unique vibration damping produces very low vibrations, allowing for continuous work. The GEX 40-150 is equipped with a multi-hole sanding pad for sanding sheets with different hole pattern and for significantly increased dust extraction.
Equipment & Application

This random orbit sander is intended for sanding, in-between sanding, lacquer removal, finishing surfaces, and polishing. It is applicable on wood, veneer, lacquer, and filler, as well as mineral and acrylic. It is compatible with the Bosch Click & Clean System.
