The Ultimate Heavyweight Trolley Tool Bag has been constructed as a fully opening bag that allows tools to be easily loaded and unloaded. Equipped with ten pockets and made from materials with excellent water repelling properties and durability making it suitable for both indoor and outdoor use – can withstand exposure to wind, rain & sunlight. Reinforced joints between the handle and tool bag body enable it to withstand heavy weights. Complete with carry handles and an adjustable shoulder strap as well as the trolley for all-round user convenience.

The Ultimate Heavyweight Trolley Tool Bag has been constructed as a fully opening bag allowing tools to be easily loaded and unloaded. Equipped with ten pockets, 4 external and 6 internal pockets in varying sizes for organising and storing smaller items. Made from materials with excellent water repelling properties and durability making it suitable for both indoor and outdoor use – can withstand exposure to wind, rain & sunlight. Reinforced joints between the handle and tool bag body enable it to withstand heavy weights. Complete with carry handles and an adjustable shoulder strap as well as the trolley for all-round user convenience.
