The 152mm (6") Leveling Tripod Chain Vice delivers unmatched portability and lifelong steadiness for mechanical, electrical, and plumbing tradesmen working with pipe, conduit, and other materials. Its flat-folding design and balanced carry handle enable briefcase-style transportation and compact storage in job boxes and service vans. Our simple two-step deployment eliminates setup hassles delivering the quickest, painless setup. STABLE LOK, provides easily adjustable tension to steady the deck and provides lifetime sturdiness. Featuring an adjustable leg for level alignments, you can pitch the deck +/- 3 degrees to level work materials and build systems to a pitch. With an expansive work surface and multi-material chain vice, this pipe stand tripod serves as a portable work desk for all tradesmen installing pipe, conduit, and other materials.

Features:

STABLE LOK provides enhanced sturdiness

Quick painless set up
