

M18 FUEL™ 533MM (21") SELF-PROPELLED DUAL BATTERY LAWN MOWER BARE (TOOL ONLY) M18F2LM210 BY MILWAUKEE

The M18 FUEL™ 21" (533mm) Self-Propelled Dual Battery Lawn Mower meets the performance, durability, and ergonomic needs of landscape maintenance professionals. The optimised steel deck design, paired with high blade speed allows the M18 FUEL™ 21" (533mm) Lawn Mower to achieve maximum airflow and increased lift, delivering ultimate cut quality in mulching, bagging, and side discharge applications.

The POWERSTATE™ Brushless Motor delivers maximum torque to take on the most demanding mowing applications, such as thick, wet grass. REDLINK™ PLUS Intelligence provides total system communication between the tool and battery for maximum levels of performance, protection, and productivity. The advanced electronic package also delivers an instant throttle response on both the blade and drive motors to reach full throttle in under 1 second, increasing both user control and productivity. The lawn mower requires 2x M18™ REDLITHIUM™ -ION Batteries for operation. When paired with 2x M18™ REDLITHIUM™ -ION HIGH OUTPUT™ 12.0Ah Batteries (sold separately), the lawn mower delivers up to 60 minutes of runtime, allowing up to 2,000m² of cutting while removing 15 mm of grass at a 4.8 km/h selfpropelled pace. With an infinitely variable self-propel speed dial, the lawn mower offers speeds between 0 - 6.4km/h, and the Active Speed Management Paddle allows

SKU	Option	Part #	Price
8729622		M18F2LM210	\$1349

user to easily adjust their walking pace in operation while maintaining complete control of the lawn mower.

The M18 FUEL™ 21" (533mm) Self-Propelled Dual Battery Lawn Mower features a steel deck, 3-in-1 grass management, single point height adjustment, front & side LED lights, vertical storage, two deck handles, and high lift mode, which allows the mower to tackle the most demanding applications. Equipped with a 21" (533mm) Mower Blade (49162734), the mower provides a true 21" (533mm) cut capacity, reducing missed blades of grass and clumping.

Features:

(2) M18™ REDLITHIUM™-ION Batteries required for operation
Optimised for best performance with HIGH OUTPUT™ batteries

High Lift Mode delivers high blade speed for maximum airflow and lift

Push button start eliminates pull start frustrations
No petrol headaches, engine maintenance, or emissions while in use

Rear Wheel Drive, with Self-Propelled, allows users to set speed from 0 to 6.4km/h

Low noise and vibration for operator comfort across the work day

Active Speed Management Paddle allows for easy self-propel pace changes on the move

Ergonomic handle, with recessed bail bar design
Folding handle allows for vertical storage with compact footprint

Two deck handles provide users grasping points when lifting in and out of transport and storage

Front & side LED lights allow users 180° visibility in low light scenarios

Reaches full throttle in under 1 second

Rear Side Discharge throws clippings from mower path, while allowing for mowing close to property or obstructions

Specifications:

PLATFORM: M18 FUEL™

RPM: 2,800 - 3,300

Cut Capacity: 21" (533mm)

BATTERIES REQUIRED: 2x M18™

Throttle: Instant

High Lift Mode: Yes

Deck Material: Steel

Single Point Height Adjustment: 7 Positions

Height Range: 25-102mm

Grass Management: Bag, Mulch, Side Discharge

Grass Bag Capacity: 70L

Handle Height Positions: 3

LED Lights: Front & Side

Vertical Storage: Yes

Standard Accessories:

(1) M18 FUEL™ 21" (533mm) Self-Propelled Lawn Mower

(1) 70 Litre Grass Bag

(1) Mulch Plug

(1) Rear Side Discharge Chute

(Not Included) Batteries & Charger
