USB Rechargeable 1100L Twist Focus Flashlight offers 1,100 Lumens with precise beam control. Leveraging advances in LED Technology, this rechargeable flashlight maintains a compact body while delivering 1,100L of TRUEVIEW™ High Definition Output, giving you the ability to see up to 175 m. The flashlight features precision twist focusing for full control of the beam size and intensity allowing you to search, trace, or inspect better. Designed for easy carry and storage, this compact flashlight has a removable clip for versatile attachment. Optimised for one-click operation, the multi-functional power button offers battery indication and mode selection. The mode memory intelligence powers up the flashlight in the last mode used. Maximise brightness or extend runtime with high, medium, and low mode options with up to 13 hours of runtime. Built for the toughest conditions, this waterproof flashlight has an IP67 rating and withstands submersion up to 1 m and is rated for 4 m drops. The MILWAUKEE® USB Rechargeable 1100L Twist Focus Flashlight is powered by the REDLITHIUM™ USB 2.0AH Battery, providing all-day run-time, more recharges, and faster charge time. The MILWAUKEE® REDLITHIUM™ USB Battery can be recharged in the flashlight via Micro USB or swapped out with additional REDLITHIUM™ USB Batteries for virtually no downtime. The 1100 Twist Focus Flashlight is covered by a limited lifetime warranty. **Features:**
 Upgrade from 2.0Ah battery to 3.0Ah battery included in kit
 Six modes, up to 600 lumens of TRUEVIEW™ High Definition Output
 Up to 34 hours runtime when used with REDLITHIUM™ USB 3.0Ah Battery Pack
 360° visibility
 Fits all Hard Hat types and sizes
