

## 25MM ASSORTED SCREWDRIVER WITH SOCKET BIT SET, 29PCE - DB904 BY DURUM

DURUM Black Vanadium SDX Sockets are cold forged and precision hardened to deliver lasting performance. The SDX design gives extra teeth to a modified surface drive and allows the sockets to grab hard onto even severely worn or damaged nuts and bolts. DURUM Screwdriver Bits are precision cut from the best steel and strengthened to exacting standards to deliver outstanding results.
