Visible in every direction, the REDLITHIUM™ USB Rechargeable BEACON Hard Hat Light is powered by REDLITHIUM™ USB to combine exceptional hands-free task lighting with an innovative red LED BEACON personal safety light. The BEACON personal safety light has steady and blinking options that make the user visible up to 400 m from all directions when used with the front headlamp. The BEACON hard hat light works as a headlamp, delivering up to 600 lumens of TRUEVIEW™ High Definition Output with spot and flood beam options. This clip on hard hat light has an elastic strap, silicon grip, includes two universal hard hat clips and is compatible with all hardhats. This headlamp performs with over 2,000 recharges and fast charging via USB. The REDLITHIUM™ USB Battery can be recharged inside the light via Micro USB or swapped out with additional REDLITHIUM™ USB Batteries for virtually no downtime. The rechargeable hard hat light gives the user all-day runtime with five light output modes: Spot High, Hybrid Spot/Flood, Flood High, Flood Medium, and Flood Low. This headlamp is water and dust resistant (IP53 rating). The durable clip-on headlamp for hard hats are ideal for roadside, tunnel or underground work, spotters, signalers and professionals working around moving equipment. The REDLITHIUM™ USB Rechargeable BEACON Hard Hat Light is covered by a limited lifetime warranty.

Features:

- Six modes, up to 600 lumens of TRUEVIEW™ High Definition Output
- Up to 34 hours runtime when used with REDLITHIUM™ USB 3.0Ah Battery Pack
- 360 ° visibility
- Fits all Hard Hat types and sizes
