Our 4-in-1 Lineman's Hammer features both milled and smooth strike faces to complete all driving applications. Built-in staple pullers and a j-hook remover deliver you added functionality and increased productivity with the versatile lineman's hammer. The handle is made of high-strength fiberglass construction and has reinforced overstrike protection to offer ultimate power and durability. The hammer also has an integrated, tether ready lanyard hole for when working at height. MILWAUKEE® designed this for power utility linemen with a 32oz head weight and 15 in. overall length.

Features:

4 essential functions in 1 hammer - Milled Face, Smooth Face, J Hook Remover, Staple Puller
Tether Ready Lanyard Hole
Reinforced Overstrike Protection

Specifications:
