8720 SHUFFLE DIY 2.4" FOLDING KNIFE KS8720 BY KERSHAW

The Shuffle DIY, in its garage-appropriate black-and-gray coloring, features a bit driver and two screwdriver bits, plus a keychain ring—along with the handy features other Shuffles are known for. This compact knife is equipped with a shorter, but wider, blade of quality stainless steel. The handle’s contours fit the hand comfortably. And yes, the bottlecap lifter, built into the back of the knife, is still there. Because DIY is hard.

- Features:**
- Makes a great utility knife, work knife, or multi-function pocketknife—with a bit driver, bits, and jump ring
