The REDLITHIUM™ USB Pivoting Work Light is powered by REDLITHIUM™ USB, giving you high output light for any task from any position. The light features spot and flood beam modes allowing it to change from a high-powered flashlight to a versatile task light at the press of a button. With 500 lumens of TRUEVIEW High Definition output and a 155 metre spot beam distance, it gives you the ability to search, trace, or inspect better from further away. In flood mode, the LED light's 110° pivoting head and magnet base allows you to use the task light hands-free while directing the light exactly where you need it. Maximise brightness or extend runtime with high and low flood mode options with up to 11.75 hours of runtime. The light can be turned into a right-angle light with a built-in pocket clip designed for chest pockets and straps. Powered by REDLITHIUM™ USB, the batteries can be charged while inside the work light via USB, or swapped out with another REDLITHIUM™ USB battery for virtually no downtime. The REDLITHIUM™ USB Pivoting Work Light is great for any trade professional looking for the ultimate versatility in a light and is covered by a limited lifetime warranty.

Features:

- Three modes, up to 500 lumens of TRUEVIEW™ High Definition Output
- Up to 11.75 hours runtime when used with REDLITHIUM™ USB 3.0Ah Battery Pack
- 110° pivoting light head
- Magnetic base for convenient storage and hands-free use
- IP53 (limited dust ingress and water spray up to 60° from vertical)
- Over 2,000 recharges
