The WORKSKIN Lightweight Performance Short Sleeve Shirt is designed for people who need their next-to-skin layer to dry fast and keep them cool. Get a work shirt that matches your level of performance every day with a MILWAUKEE® WORKSKIN. These high-performance work shirts are made from moisture-wicking fabric that helps you stay dry, whilst the 100% polyester material dries fast and resists wrinkles, unlike standard cotton base layers. The relaxed fit and raglan sleeves allow you to move freely to accomplish any task for comfortable all day wear.

Features:

Moisture wicking fabric allows keeps moisture away from the body

Polyester fabric dries fast and resists wrinkles

Extended fast wicking sweat zones accelerates drying

Durable, pilling resistant fabric extends product life

Regular fit allows for room to move and work
