Shipping Weight (Gross)	1.48 kg

MILWAUKEE Jobsite Offset Scissors redefine performance and durability in the scissors category. They feature micro-serrated cutting edges for maximum durability and during tough cuts and better grip. They also include an all-metal handle loop design for protection from drops and handle breakage, they are a perfect solution for both left and right handed users. As well as offering large handles and an index finger groove for extra control. An aggressive 60 ° offset handle design keeps hands above cutting materials. Bolt Lock Technology prevents blades from loosening to ensure precision cutting. For added precision, ruler markings are featured on the front of the blades. We back these durable scissors with a limited lifetime warranty.

Features:-

- All Metal Handles
- 60 ° Offset Design
- Precision Blades - smooth edge blade for burr-free cuts
