Type	Hedge Trimmer
SKU	8729994
Part Number	M12FHT0
Barcode	4892210211361
Brand	Milwaukee
Size	200mm
Technical - Main	
Battery Voltage (V)	12V
Cutting Capacity	19mm
Brushless Motor	✓
Dimensions	
Product Weight (Net Weight)	1.2 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.9 kg

The MILWAUKEE® M12 FUEL™ Hedge Trimmer is designed to meet the detail trimming needs of landscape maintenance professionals. Compared to a full size hedge trimmer the compact design provides a light weight, ergonomic design, capable of one-handed use for maximum control in tight access applications. The POWERSTATE™ Brushless Motor delivers 2,700 SPM for fast cutting even when running into demanding applications. The M12 FUEL™ Hedge Trimmer has the power to cut 13 mm branches for fast application speed and overall productivity. The blade tip guard prevents damage to the blades and property that may be impacted by the blade such as fences. The M12 FUEL™ Hedge Trimmer comes with a blade sheath to protect the 200 mm blade set, and also features an onboard battery fuel gauge and hang hole for convenient hanging during storage. The M12 FUEL™ Hedge Trimmer is fully compatible with 90+ solutions on the M12™ system.

Features:

- Compact, lightweight design delivers enhanced manoeuvrability over full-size hedge trimmers
- 13mm cut capacity for handling aggressive applications
- POWERSTATE™ Brushless Motor delivers 2,700 SPM to increase application speed
- Instant throttle response
- Variable speed trigger provides ultimate control of the tool

23 Exhibition Drive, Malaga Western Australia
