The DCB094 uses USB Power Delivery technology with bi-directional charging so you can use it as a charger to charge your 18V batteries, & also use it as a mobile power bank which will charge USB devices via the USB-C Port. **Features:** USB Power Delivery (PD) technology with bi-directional charging

Used as a charger, DCB094 will charge 18V XR ® batteries at an output current of up to 5A

Used as a mobile power bank, DCB094 will provide up to 100W of power to compatible USB-PD devices via the USB-C port

Secondary USB-A charging port charges at 2.4A (12W)

When charging a DEWALT 18V XR ® battery, state of charge indicator shows when battery is 80% charged and 100% charged

Supplied with a belt hook for convenient use when on the move

Includes:

100W USB PD Power Supply with USB-C Port

100W Rated USB C Cable

100W Rated Adapter/Charger with USB-C and USB-A Connections

Belt clip
