

CONNECTOR ASSORTMENT SYSTAINER FOR DF 500 576797 BY FESTOOL

SKU	Option	Part #	Price
8730127		576797	\$675

Model	
Type	Plastic Furniture Connector
SKU	8730127
Part Number	576797
Barcode	4014549381267
Brand	Festool
Dimensions	
Product Length	693 mm
Product Width	296 mm
Product Height	164.5 mm
Features	
Standard Inclusions	3 x Boxes with Compartments
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Everything you need for the DOMINO jointer DF 500. It couldn't be easier. The perfect joint. Now even more versatile. The new basic structure connectors and furniture connectors for the DOMINO DF 500 joining machine. The new DOMINO basic structure connectors and furniture connectors enable stable yet flexible furniture designs that can be separated again. Because of their great versatility, they provide for a very large range of applications – from corner panel joints to centre panel joints to joints between a series of holes. For unique flexibility, speed and efficiency.

Features:-

The clever DOMINO system enables very simple and precise positioning of joints, thereby rendering additional stops and positioning aids unnecessary. For working efficiently and quickly

The connectors' large tightening distance and long bolts make furniture assembly significantly easier. Cupboard assembly is therefore no problem, and you can do it easily on your own.

The flush-screwed fixture elements protect each furniture component from being scratched

Routing and cutting tolerances of up to 1.4 mm are compensated for without problems by the fixture

The new detachable DOMINO basic structure connectors and furniture connectors are perfectly suited for a panel thickness of 18 mm to 28 mm

Includes:-

DOMINO/DOMINO KV D8 basic structure connector

23 Exhibition Drive, Malaga Western Australia
