Packaging + Shipping	
Shipping Weight (Gross)	0.3 kg

The Alpha Stainless Plus range will get your job done fast and easy! Having a special point angle for quick penetration combined with a 130 degree flute design, give you a controlled chip evacuation while still being able to tackle tough stainless materials. Alpha Stainless Plus Drills last 5 times longer than our Cobalt steel range in stainless steel, so they're a great investment!

5x Life - Alpha Stainless Plus Drills last 5 times the life of Cobalt drills in Stainless Steel

Suitable for: Stainless Steel, Steel and Aluminium

130 degree special point angle for quick penetration and reduced work hardening

Fast Spiral Flute - 40° Helix fast spiral flute for controlled chip evacuation

TiAIN Coating - Full length TiAIN coated for ultimate wear resistance

Premium M2 HSS raw material

Corrosion resistant finish

Tough Plastic Case

Rugged rubber grips

Strong locking catch

Feeds & speeds chart inside every drill set

Sizes: 1.0 - 13.0 in 0.5mm increments
