Shipping Weight (Gross)	1.48 kg

Designed for bulkier tools and jobsite materials, our PACKOUT™ Rolling Tool Chest combines the benefits of a greater internal capacity and a Dual Stack Top to allow you to carry more around the jobsite. Constructed with impact-resistant polymers and water and debris protection, as well as an industrial-grade extension handle and 9" all terrain wheels, the Rolling Tool Chest can be rolled anywhere in any weather. The locking lid support feature keeps the top securely open while you access tools and accessories, while heavy duty hinges and latches will stand the test of time. The PACKOUT™ modular storage system allows you to customize your storage system to keep tools and accessories organized and easy to transport. MILWAUKEE® PACKOUT™ is the industry's most durable and versatile storage system.

Features:

- Large size ideal for large power tools and jobsite materials
- Dual Stack top with x2 full sized PACKOUT™ base cleats
- All Terrain Wheels for easy rolling through rough jobsite terrain
- Industrial Grade Extension Handle and Impact Resistant Polymer Construction
- Heavy Duty Latches with Metal reinforced locking points
- 132 litre internal capacity and 113kg weight capacity
- Limited lifetime warranty
