

12V CABLE STAPLER BARE (TOOL ONLY) M12BCST-0 BY MILWAUKEE

The Milwaukee® M12™ Cable Stapler delivers unmatched stapling performance in the most compact battery-powered solution leading to a faster, more efficient rough-in process. Our compact, lightweight design provides users with access to tight stud bays and improved ergonomics when stapling overhead or during difficult-to-reach situations. Moveable cable guides ensure proper alignment and the coil-spring mechanism consistently sinks the staples to the appropriate depth when fastening NM-B Sheathed Cable (14, 12, 10 AWG) and low voltage cables, supporting peak stapling productivity. Only compatible with our 25mm (1") insulated staples (sold separately), the M12™ Cable Stapler gives the user the run-time needed to sink up to 1,200 staples on a fully charged M12™ REDLITHIUM™-ION 2.0Ah battery.

Features:

- Coil-spring mechanism consistently sinks the staples to the appropriate depth
- Improves speed of staple installation, completing rough-ins 2x faster than when using a hammer
- Staple Viewing Window
- Reversible Belt Hook
- Dry Fire Lock Out
- Compatible with Milwaukee 1" Insulated Cable Staples
- Fires 1,200 Staples Per Charged M12™ CP2.0 Battery
- Fits All M12™ Batteries
- Compact size eliminates the majority of manual staple installation needed for NM-B and low voltage cables
- Moveable Cable Guides

SKU	Option	Part #	Price
8730244		M12BCST-0	\$469

Model	
Type	Stapler
