MarXmate is a unique tool designed so that with one push it quickly, easily and clearly marks almost any surface. The perfect drilling companion for electrical, plumbing, building jobs and much more. Each pen contains 250+ bursts of removable fluorescent green pigment, and is capable of marking all surfaces including brick, metal, wood, pebbledash, porcelain and ceramic. It works on all surfaces including brick, wood, metal, pebbledash, ceramic, porcelain – MarXmate works on just about everything!

Push the tip of the Marxmate into your fixing hole.

The green Marxmate pigment will be marked onto the surface.

Use the mark for precise drilling. The pigment simply wipes away without leaving residue.
