Brand	Milwaukee
Size	5.0Ah
Dimensions	
Product Weight (Net Weight)	0.8 kg
Warranty	
Warranty	2 Years
Packaging + Shipping	
Shipping Weight (Gross)	0.8 kg

The M18™ REDLITHIUM™ -ION 5.0Ah Resistant Battery is built with a resistant housing, providing increased protection against exposure to common oils, greases, and solvents found in transportation maintenance and manufacturing environments. The M18™ REDLITHIUM™ -ION 5.0Ah Resistant Battery delivers the same best in class performance as the standard M18™ REDLITHIUM™ -ION 5.0Ah Battery. Each battery pack is durably built for heavy-duty use, runs cooler, and performs in cold weather climates. Built-in REDLINK™ Intelligence protects the battery from overloads, preventing you from damaging your cordless power tools in heavy-duty situations, while the discharge protection prevents cell damage. An integrated temperature management system and individual cell monitoring help to maximise the battery's life. Our M18™ REDLITHIUM™ -ION 5.0Ah Resistant Battery is fully compatible with more than 250+ Milwaukee M18™ cordless power tools.

### Features:

Best-in-class construction: Resistant housing designed to provide increased protection against exposure to common oils, greases, and solvents

REDLINK™ intelligence provides optimised performance and overload protection

All weather performance delivers fade free power in extreme jobsite conditions.
