Fully customise your PACKOUT™ Crate with the PACKOUT™ Crate Divider. Simply slot the divider into the centre grooves of the PACKOUT™ Crate to segment the layout for better space management. The three holes at the top of the divider can be used as tie down points in conjunction with the handles of the crate, while a number of mounting holes along the divider can be used to screw in and mount chargers and other accessories. The PACKOUT™ Crate Divider has been constructed with impact-resistant polymers to stand the test of time.

Features:-

- Slots easily into the PACKOUT™ Crate centre grooves.
- Includes screw holes for mounting of accessories.
- Three top holes can be used as tie-down points
- Impact-resistant polymer construction.
