A versatile companion for the jobsite, our PACKOUT™ Tool Tray features stack or store functionality. Stack the Tool Tray onto any PACKOUT™ product, or store within the PACKOUT™ Rolling Tool Chest, Rolling Tool Box, XL Tool Box, or Large Tool Box. Customise the internal layout of the Tool Tray with quick-adjust dividers creating up to six separate storage compartments, and get into those tight crawl spaces easier with a retractable metalreinforced handle that minimises the profile of the unit while still remaining durable. With an 11kg weight capacity, you'll be able to easily transport tools and materials around the jobsite.

Features:-

- Metal-reinforced retractable handle
- Quick-adjust dividers
- Impact resistant polymer construction
- Stack onto a PACKOUT™ stack or store within selected PACKOUT™ Tool Boxes
- 11kg weight capacity
