The Internal Rechargeable Penlight 250 Lumen offers quick and accurate inspections. This rechargeable penlight delivers 250 lumens of TRUEVIEW™ HIGH DEFINITION OUTPUT and offers an integrated laser pointer that allows for efficient communication on the jobsite. A built-in protective rubber bite zone allows you to quickly direct light while performing two-handed tasks. With two output modes, users can choose between maximum performance or runtime. Stay ready from job-to-job with USB charging allowing for 8 hours runtime and an on-board battery indicator. The removable metal clip offers a secure attachment to shirts or pant pockets for reliable storage. This internal rechargeable penlight is built to survive the toughest jobsite conditions, with an IP67 rating also withstanding impacts up to 2 metres. The Internal Rechargeable Penlight's built-in battery gives you maximum performance and rechargeable capabilities. The Internal Rechargeable Penlight 250 Lumen is covered by a 2 year warranty.

Features:-
